

## Document Storage

	Canon imageRUNNER 2200	Ricoh Aficio 1022
Document Storage	Mail Box function (std.) 100 standard User Inboxes can be named for easy identification and password protected for security. Users have access to a wide range of document manipulation features in an easy to use format.	Document Server (opt.) Provides comparatively limited document storage, editing and management features. With no individual Mail Boxes, stored documents are difficult to search for when a user wants to retrieve them.

- The standard Mail Box feature of the imageRUNNER 2200 far exceeds the limited document storage capabilities of the Ricoh Aficio 1022. The Document Server feature is only available on the Aficio 1022 with the additional purchase of a hard disk drive.

## Print Features

	Canon imageRUNNER 2200	Ricoh Aficio 1022
	Optional Network Multi-PDL Print Kit-C1 is an all-inclusive kit offering standard PCL5e, PCL6, and PS3 emulation Page Description Languages and optional Ethernet or Token Ring Network Interfaces. Shares 128MB RAM and 5.1GB Hard Disk Drive with Main Unit.	Optional Printer/Scanner kit requires the user to purchase print accessories separately – adding costs and decreasing convenience. Adobe PS3 module, a 6GB Hard Disk, and 32MB printer memory must be purchased separately.

- The optional Network Multi-PDL Print Kit offers everything a user will need to connect their iR2200 as a network printer. The Ricoh Aficio 1022 requires additional purchases to configure the device as a printer.

## Professional-Looking Output

	Canon imageRUNNER 2200	Ricoh Aficio 1022
Finishing Options	Finisher-J1 – Internal Finisher, Corner Stapling. Saddle Finisher-G1 – Multiposition stapling (Top Corner, Side Margin, Saddle-stitch) Puncher Unit-K1 – 2/3-hole punching option for the Saddle Finisher-G1	SR820 Finisher – Corner stapling SR790 – Multiposition stapling. <i>No Saddle Stitch finishing or hole punch capabilities!!</i>
Duplexing	Standard Automatic Trayless Duplexing integrated within main unit	Optional Duplexing Unit attaches to the side of the machine

- The imageRUNNER 2200 offers more advanced document finishing capabilities with an optional Saddle Finisher and Hole Punching capabilities – providing small offices with big office productivity.
- The internal Finisher-J1 offers basic finishing without adding to the footprint of the device. Perfect for office environments with limited space.
- Automatic Trayless Duplexing is a standard feature of the imageRUNNER 2200. Ricoh's Aficio 1022 offers an optional duplexing unit that adds 5-1/2" to the width of the machine - as well as the price tag.

## Additional Advantages

	Canon ImageRUNNER 2200	Ricoh Aficio 1022
Multiple Copies	1-999	1-99
Zoom Range	25% - 800% (in 1% increments)	25% - 400% (in 1% increments)
Toner Yield	15,000 Pages at 6% coverage	11,000 Pages at 6% coverage
Memory Capacity	128 MB	Std: 32 MB / Max: 64 MB
Guide Key	Yes	No

- The imageRUNNER 2200 lets users make up to 999 multiple copies. With the Aficio 1022, users cannot even make 100 copies at a time.
- A larger zoom range allows users to capture an image exactly as they want.
- With a higher toner yield, the imageRUNNER 2200 requires fewer toner-replacement chores, making it a more cost-effective solution.
- Greater memory capacity means better performance and ability to support advanced digitally-enabled features.
- Press the Guide key to display explanation of modes or functions in the touch panel display for easier use. The Aficio 1022 does not offer this feature.

*The choice is clear - The imageRUNNER 2200 is the perfect fit for small to medium-sized corporate workgroups and departments.*

## Competitive Quick Check

imageRUNNER 2200

VS.

Ricoh Aficio 1022

The imageRUNNER 2200 delivers digital multifunction capabilities designed to meet every application need and budget of small to medium-size corporate environments. Its digital copying, printing, scanning, document storage, and remote monitoring capabilities make the imageRUNNER 2200 the only document creation solution a corporate workgroup or department will ever need.

This Competitive Review is a summary of the imageRUNNER 2200's advantages over the Ricoh Aficio 1022. The summary will make it clear that there is no comparison. The Aficio 1022 does not even come close to the superior image quality, advanced document storage capabilities, and professional-level finishing features that the imageRUNNER 2200 offers.

## imageRUNNER 2200 Advantages

### Superior Image Quality

	Canon imageRUNNER 2200	Ricoh Aficio 1022
Resolution:		
Scan	600 x 600 dpi	600 x 600 dpi
Copy	1200 x 600 dpi (interpolated)	600 x 600 dpi
Print	2400 x 600 dpi (interpolated)	600 x 600 dpi

- ☐ The imageRUNNER 2200 delivers superior image quality – allowing any organization and their documents to make a great first impression every time.

### Paper Supply

	Canon imageRUNNER 2200	Ricoh Aficio 1022
Paper Capacity: Std / Max	1,050-sheets / 4,550-sheets	1,100-sheets / 3,100-sheets
