Aficio®
1035/1045 Series

Digital Delivers

The RICOH® Aficio® 1035/1045 provides your office the benefits of the most powerful mid-volume digital imaging system available today.

The Aficio 1035/1045 are equipped with a breadth of robust digital copying features such as Covers, Paper Designate, Duplexing, Combine Originals, etc. Additional capabilities also include a large Touch Screen LCD, an 80 sheet Automatic Reversing Document Feeder and a high capacity 2,500 sheet, four-position stapler/finisher, capable of stapling up to 50 sheets per set and on-line 2/3-hole punching. From a single copy to complex, multi-page sets- stapled, hole punched and ready to distribute, the Aficio 1035/1045 delivers.

To make operation as straightforward as possible, the Aficio 1035/1045 come equipped with a large Touch Screen LCD that guides you through each operation. Screens are logically arranged to show you only the information you need for the task at hand. Pre-programmed shortcut keys make performing many common tasks a one-touch proposition.

The Aficio 1035/1045's "scan once, print many" technology allows users to scan up to 3,000 files or 9,000 pages directly into the Aficio 1035/1045's powerful 10GB Document Server. These searchable files can be located by document File Name, User ID or Time for easy access. You can retrieve and edit files, significantly enhancing copying productivity, making the production of complex, multi-section documents simple.

And if the need arises for stamping or numbering, the Aficio 1035/1045 will automatically place the date and number the pages of a document at the time of printing. The system includes a range of preset stamps, such as: Copy, Urgent, Draft, Confidential and more or you may create your own stamps for custom applications.

Just as impressive is the Aficio 1035/1045's 3,550 sheet paper capacity which includes two standard 500 sheet universal trays and two optional 500 sheet universal trays (up to 11" x 17") and an optional 1,500 sheet LCT. If there is a requirement for stapled and/or punched sets, all can be taken care of from this robust mid-volume output system. Thanks to the newly designed Multi-Tray Finisher, users will have a choice of 4 different stapling positions for sets of up to 50 8½" x 11" sheets. Additionally, 2- and 3-hole punching is possible from a single optional Integrated Hole Punching unit.

With its unique combination of superior image quality, enhanced performance and exceptional capabilities, the Ricoh Aficio 1035/1045 systems are the smart solution for the mid-volume work environment. Let Ricoh deliver tomorrow's solutions for today's office.
